Old Business

Grade Reports

- All undergraduates have not sent their grade reports

New Business

Pre-recognition Interviews

- It was agreed that instead of sending a letter, undergrads would be required to participate in a second interview before being reinstated.
- IHQ has not officially released the chapter from suspension.
- Notification:
 - Undergrads will receive email notification of change. In the email we have to mention the following:
 - Undergraduates are still members of Pi Lam but the second phase of the reorganization process is an entrance interview before you can participate in any function.
 - Interviews to be held 9/8/07
 - Undergrad must provide past debt, class list, and proof of GPA in order for you to become active.
 - Participation in this interview is mandatory to be considered an active.
 - Some members will be on a probationary status due to deficiencies in GPAs and/or finance, but still must attend the interview.

Interviews/Messages

- Alumni to be in three or more, two-man teams. Each undergrad will interview with one team only.
- The “problem” guys (those who received expulsion votes) need to be told that we are concerned about letting them through.
- All brothers need to hear that they can’t screw up even a little bit or the chapter could be gone forever. They are stewards of Pi Lam’s future.
- At the interviews the undergrads need to understand that the alumni have been granted full authority by IHQ to run the chapter and expel members.
- Undergrads need to be accepting of change; a hazing free, liability free pi lam: anything short of that is unacceptable,
- TOTAL REFORM is part of this process.

- Drinking and partying are byproducts of brotherhood, but not the sole reason. Brotherhood means a group of young men helping each other become better men. You join Pi Lam because you want to be a better man in the company of like-minded men.

Alumni Association eboard and Vasili will meet with the Pi Lam undergrad eboard directly after all interviews are done to restate our case to the “leaders” and make sure we have group buy in.
